Secretary of Oregon
Executive Office
Salem, Feby 28th 1855,

Hon Elisha Whittlesey
1st Comptroller of the Treasury
Sir,

I have forwarded for adjustment, to the 1st Auditor of the Treasury, my accounts for disbursements as Secretary of the Territory from 10th May 1854 to 14th December 1854 — comprising an account current, abstract of disbursements and vouchers in support thereof.

In relation to the item suspended in the adjustment of my accounts, heretofore transmitted, and of which you advised me by your letter of 22 August last — being a discrepancy between the original printing bill of "A Bush, on file with Report No 169. 168., and that item presented as a voucher No 69 — amounting to $181.50" — I most respectfully call your attention to the enclosed copy of the voucher from Jno Bush to Wm Hamilton, late Secretary

of Territory, being a copy of the original bill, which should accompany and explain the discrepancy as is alluded to in said adjustment. Voucher explicitly states the fact that Mr Bush had only received ($2,059,27/100) two thousand and nine dollars and twenty seven cents instead of ($2,209,35) two thousand two hundred and nine dollars and thirty five cents, as credited by him in his account submitted to me as now which said sum ($1,851,40/100) Eighteen hundred and fifty one dollars and forty cents, the balance due him per voucher No 69. —— The discrepancy against the government deducted from the ($200,) two hundred dollars erroneously credited thereon, by him, as he alleges leaves a balance in his favor —

In connection with this subject may I desire your perusal of my letter of 5th October last, anticipating that what is there said in reference to the other suspended item of $2 62.50/100, affecting voucher No 83 will soon

satisfactory.

I am very respectfully
Yours- Obedient Servt
